CHURCH ADMINISTRATOR

The pastors and elders are excited to announce that we are creating a new position at Cornerstone called Church Administrator. We have seen an increasing need for someone to handle some of the many administrative duties within our church. **Terri Smith** is going to be filling this position (5-10 hours per week) on a volunteer basis to begin with as we see what this position will all entail - some of this job description Terri was already doing previously. Terri has a lot of eagerness and vision for this role as we are excited for her to serve in this way. You can talk to Terri for any of the following concerns:

- Bulletin announcements
- Assigning mailboxes to new members
- Getting on to the church directory and email list
- Website updates
- Church Facebook page
- Church rentals (formally Cindy Pauls)
